

Whether your annual travel budget is \$500 or \$500,000 and you have one person travelling or 20, your employees and your bottom line may be exposed to unnecessary risk

When it comes to Business Travel, are you protected from the unexpected?

Corporate Travel is essential and now more than ever it will be important to make sure your employees are fully protected

If your employees are required to travel worldwide or within Canada, you should make sure your company isn't exposed to unexpected expenses

Expenses related to medical emergencies, unavoidable travel delays, last minute airline schedule changes or lost luggage are just a few of the common occurrences that employees face when they are on business trips.

Manulife Travel Insurance is designed to protect companies from a multitude of unexpected business travel expenses.

Exposure to unexpected expenses

Has your bottom line been adversely affected when your business travel plans have been interrupted or delayed due to inclement weather?

Have your employees arrived at the conference, but their baggage did not?

Have you ever had to cancel travel arrangements due to an unexpected illness of an employee or an employee's immediate family member?
